

TRI-PROOF LINEAR

Ideal for harsh environments, the Horner Tri-Proof Linear has a powerful combination of being water and dust-proof, as well as being moisture and impact resistant. With a smooth even-output, the minimalist design of the Tri-Proof Linear is clean and compact - great for applications such as refrigeration, task lighting, agriculture, or other low-clearance/tight environments. With the ability to daisy-chain up to 12 fixtures together, you can quickly engineer a lighting layout to perfectly suit most applications.

LONG LIFETIME

- 3 year warranty backed by U.S. company founded in 1949
- Aluminum thermal management ensure LEDs run cool for longer life
- Resistant to moisture, dust, impact reduces maintenance costs and down time
- Water-proof design does not rely on adhesives which can fail over time
- Rated IP65

ILLUMINATING RESULTS

- 80 CRI standard enhances color and clarity
- Smooth, even distribution, spreads light out over entire surface
- Polycarbonate light diffuser produces smooth, even light output
- Typical mounting heights of 6' - 12'

FULL CIRCLE DESIGN

- Output of 2,150 lumens
- Engineered with quality, metal frame
- Units utilize clips for surface mount and/or adjustable built-in mounts for pendant
- Integrated driver minimizes fixture impact - sleek, minimal design ideal for tight/low spaces
- Water-proof incoming power enables daisy-chain for up to 12 individual fixtures
- Ideal for typical wet environments of -20 to 35° C (-4 to 95° F)

BRIGHT SAVINGS

- Typical payback of 6 - 24 months
- Potential for rebate savings through DLC certifications (refer to DLC QPL at www.designlights.org)
- Up to 108 lumens/watt

POSSIBLE APPLICATIONS

- General task lighting
- Commercial
- Agriculture
- Retail environments
- Refrigeration
- Inspection lighting

COMPLEMENTARY PRODUCTS

We have several complete lines of products for both indoor, outdoor, and specialty applications (such as grow, inspection, hazardous) to exceed your organization's energy savings goals, fast-track your ROI, and enhance your overall light output. Explore the versatile products below more on our website at www.HornerLighting.com to quickstart your savings today.

White LED Linear (WLL)

4' or 8' linear configurations, high or low bay applications

Low Bay Canopy & Parking

Up to 7,800 lumens, integrated light and motion sensor

Mantis Task Light

4' linear configurations, task or low bay applications

Flat Panel Accessories

ETG-TRI-GO-05
Pig tail, 5 ft. length
