

SQUARE CANOPY/PARKING (SCP) SERIES

Parking garages streamline commercial tracks, minimize impact through vertical development, and improve quality of life for communities across the nation. They minimize many challenges – yet managing a parking garage can be a challenge in itself. The Horner SCP Series is designed to make the management process as safe, easy, and efficient as possible. Through a flush-mount design, the NEW Canopy Series eliminates the potential for nesting sites, keeping birds out, while the 160° beam angle provides bright, powerful lighting to improve the parking and security experience for customers and building management alike. Low-cost, high efficacy: big results!

LONG LIFETIME

- Premium, top-tier LEDs
- 5-year warranty backed by U.S. company founded in 1949
- -25°C to 40°C ambient temperature ensures long lifetime in a variety of conditions
- Quality driver with integrated 4kV surge

ILLUMINATING RESULTS

- 80 CRI standard enhances color and clarity
- Powerful light engine creates even output
- Lens material is PC and rated to IK10
- Typical mounting heights of 8' - 25'
- 160° Beam Angle

FULL CIRCLE DESIGN

- Adjustable output of 3,700-8,700 lumens
- Engineered with quality, space-age materials
- Square profile is lightweight and easy to install
- IP65 Dust and Water protection UL wet-rated
- 120-277 VAC
- Flexible mounting to junction boxes, conduit, and surfaces
- Integrated step dimming motion and light sensor, standard

BRIGHT SAVINGS

- Typical payback of 9 - 24 months
- Up to 145 lumens/watt
- Standard motion and step level dimming provide additional energy savings
- Potential for rebate savings through DLC certifications (refer to DLC QPL at www.designlights.org)

POSSIBLE APPLICATIONS

- Parking garages
- Fueling centers
- Recreational facilities
- Outdoor overhangs
- Workshop areas
- Hall and aisle ways

MODEL	WEIGHT	DIMENSIONS	CRI	CCT	LUMENS	TOTAL WATTS	LUMENS/WATTS

YOUR PART NUMBER

ETG-SCP ^{wattage} 25 - WL - P1 - M5

^{CRI/CCT} 840 (80 CRI, 4000K) P1 120-277 VAC
 850 (80 CRI, 5000K)

Step Level Dimming
 (standard with preset levels--see Guide LMAN0082 for presets)
 ETG-SEN-MOT-SCP

Watt Tuner
 (factory comes set at 60W, see install guide for instructions)

Accessory Options Available:
 ETG-CTL-MOT
 Remote Control for Step Level Dimming
 (required to change factory presets)

ETG-SCP60-EM
 Emergency Backup

COMPLEMENTARY PRODUCTS

We have several complete lines of products for both indoor, outdoor, and specialty applications (such as grow, inspection, hazardous) to exceed your organization's energy savings goals, fast-track your ROI, and enhance your overall light output. Explore the versatile products below more on our website at www.HornerLighting.com to quickstart your savings today.

Mantis Task Light
 4' linear configurations, task or low bay applications

Hazardous Location
 Class 1 Div I or Class 1 Div II high or low bay applications

Enterprise Series
 Up to 39,000 lumens, diverse lens type options
